Date of Meeting: 27.03.2018

Meeting Location: Club Offices Epoka

Team Leader : Nail Spahija

Moderator: Kristjan Pashollari

Recorder: Klevis Xhyra

Other Members Present: Semih Zengindemir
Aldo Lisi

Members Absent: -

Topics Discussed & Decisions Made:

What we discussed today was about the work that the group did so far. Each of us presented what we did. Klevis and Kristjan dealt with OpenCV that will be used for face recognition and the code seemed to be already ready but needed some modifications also. So until the next week it will be fixed. Also Nail showed us a sketch of database that he did and we also suggested some changes so it would be more completed. The other guys are still through the tutorials to deal with Symfony and they also helped us in some of the problems we had. Each of us proposed another database schema for next time.

Tasks Assigned:

For the next meeting we agreed all to have it on the weekend but it may change. Task assigned for this week were like the following :

Semih, Kristjan : Complete the functional requirements of the project

Aldo, Klevis : Complete the non-functional and product service description

Nail : Sketch the page design.

Also until next meeting everyone have to finish all his duties and continues as fast ass possible with coding.

Time, Place, and Agenda for Next Meeting:

For the next meeting we decided to have it in Dormitory on the weekend but it may change due to discussion on Whatsapp.
